Each package includes my time as a photographer and assistant. My goal is to document each priceless moment of your wedding day with great focus on the details of the wedding preparation, ceremony, reception and any before and after special customs. Emotions speak louder than words and I strive to capture them in an artistic fashion.

9 continuous hours of photography\* on your wedding day - covers everything from the moment you show up with your bags in hand, to getting ready with all of your nervous jitters, until the time you leave out the door in your car exhausted and extremely happy - formal photos, ceremony, cake cutting, toasts, first dance, bouquet and garter toss.

Bride and groom will receive 900+ digital photographs on DVD album including B&W and artistic conversions. Additionally, the photographer will post photographs on a web album for family and friends of the bride and groom to view, download order or print their favorite moments.

If Martin Burlus is unable to perform to this contract due to a fire, act of God or any other cause beyond the control of the parties, Martini Photography shall have no further liability with respect to this agreement. If Martini Photography is unable to perform to the obligations in this contract in the event of photographer's illness or for any other reason, Martini Photography will not be liable for costs in excess of the amount the client has paid. This limitation of liability will also apply in the event that the high resolution digital files are lost through camera malfunction, damaged in processing, lost in the mail, or otherwise damaged or lost with or without fault of the photographer Martin Burlus. While every attempt is made to create the best images possible, no particular photo is guaranteed.

The client will obtain proofs and high resolution digital files which may be used for personal use only, and may not be sold or published without the written consent of Martin Burlus.

All rights to images created by Martin Burlus will remain with the photographer. Martin Burlus reserves the right to display any photographs made in conjunction with this wedding as samples of his work for the purposes of window and showroom exhibit, advertising, promotion on the internet, publication, instruction and professional competition.

Coverage plan times must be used consecutively. Time starts when Martin Burlus arrives and the time finishes when the coverage time runs out.

The client understands that due to the inherent qualities of photographic materials, the photographs may fade or discolor over time. The client agrees to release the photographer Martin Burlus and Martini Photography from any liability for any claims based whatsoever upon fading or discoloration due to such inherent qualities. If during the wedding ceremony flash photography is not allowed, the client understands that high ISO settings (film's sensitivity to light) must be used creating a pixilated or grainy effect in the photographs.

Any changes to this contract must be in writing and signed by both parties. This contract incorporates the entire understanding of the parties.
